M. G. (Mose) COX, LAWYER DIES SUNDAY

M. G. Cox Succumbs Sunday In Marlin Hospital; Widely Known

M. G. Cox, 73, died in the Torbett Hospital, Marlin, Sunday morning September 2, 1951. He has been ill for the past six days and had recently undergone a major operation.

Mr. Cox prominent attorney and civic leader of Cameron and Milam County, had lived in this county for the past 51 years. A native of Alabama, he was born at Clayton, March 30, 1878.

He came to Texas as a young man and had always taken an important role in the Milam County Bar Association over the period of years. He read much, therefore he knew much and was an inspiration to friends when he talked. He had devoted much of his time and interest in the Knights of Pythias lodge and was a member of the Board of Directors of Knights of Pythias Home in Weatherford at the time of his death.

Mr. Cox was president of the Texas Law Review and was widely known over the state of Texas as an outstanding lawyer. He was respected by men in all walks of life and those who knew him best cherished his jovial personality. He was a lover of nature and was often seen among the flowers in his yard which he prized very highly.

He was a member of the Baptist Church and a charter member of the Rotary Club as well as past president of the organization. His services to his church, family, and fellowmen were exemplified in his christian character. He was firm and steadfast in all his convictions and his manifestations were an example of his noble character.

Mr. Cox kept abreast with modern days and being of a progressive mind he was instrumental in much of the progress of Cameron. He was always interested in the civic welfare of the city and his many accomplishments as a professional man will long be remembered.

The news of his death came to a shocked city, early Sunday morning.

Funeral services were scheduled

THD Association Holds Convention

The Texas Home Demonstration Association met on the A&M College campus Aug. 29, 30, 31 for its 25th Anniversary Convention. The Texas Home Demonstration Association is the State Organization of Texas Farm Women.

These women assemble in their homes or community centers once or twice each month, and in good fellowship exchange ideas, and listen to demonstrations by their local agents. The club motto, "To Make the Best Better" is the goal of every meeting, regardless of the subject studied.

In this big state meeting, delegates and visitor members from this vast area of Texas assemble together for three short days in the spirit of good will and a desire to find some way to help the home county find a way of attaining a more full and satisfying home life.

McLain Pontiac Completion Soon; Glass, The Florist, Gets New Front

August Report Higher Than July Total as Construction Increases

Building permits for the month of August totaled \$15,300, according to Mrs. Needham, city secretary. This report is extremely higher than during July as only \$400 was reported for that month.

Over half of the permits issued for August went for construction on the new McLain Pontiac Company which will soon be completed. Glass, the Florists, are adding to the front view of their building. This florist is one of the most modern in this section of the country. A new display room and office is under construction and additional work room are in the plans also. The Glasses are widely known over the state for their ability of modern designing of floral arrangements.

These additional facilities will add to this progressive establishment. Glass the Florist has been a leader in its field for a number

of years and citizens here will soon be able to view the elaborate front structure.

Walter Plocek is constructing a rent house for a total of \$2,500 permits. Approximately around \$300 permits were used for repairs and sundry expenses.

Building boom is on the upgrade in most areas of the state and with the coming of Alcoa, construction of more building might continue to a higher level here.

Since it has been officially stated by city authorities that Cameron has an adequate water supply, some industries might locate in this area.

It was reported that the city of Taylor has requested 50 additional housing units, to be built under the Taylor Housing Authority supervision. The new houses would be reserved for white tenants, if they are approved by Federal Housing Authority.

A lot of auto accidents would be eliminated if the man behind the wheel would quit hugging the wrong curves.

1,600 Farmers Participate In ACP Realize Beneficial Results

Farmers of Milam County have approved PMA's Agricultural Conservation Program by participating in the program more each year. During the 4 year period of 1947-1950 thousands of Milam County farmers have participated in the program. Listed are some of the accomplishments of ACP in Milam County in the 1947-1950 years: Terraces were approved and paid for by ACP on 353 farms totaling 2,036,092 linear feet. On 130 farms there were 120,590

cu yds. of diversion terraces approved and paid for. Six hundred and forty seven farm ponds totaling 750,366 cu yds were approved and paid for by ACP. With ACP assistance 1,888,239 pounds of winter legumes were planted on 114,127 acres of cropland. There were 12,614,076 pounds of superphosphate applied to 60,768 acres of land under the ACP. On 317 farms, 9,567 tons of limestone were spread with ACP assistance.

The agricultural Conservation Program has made progress each year and this year will be the best year in its history in Milam County with approximately 1,600 farmers participating in the program.

There are 400 or more farmers participating in ACP this year for the first time. Farmers are realizing that the land must be conserved if the future of the family farm is strengthened in America.

Miss Katherine Sutter Graduates From Waco Nursing School

Miss Katherine Sutter of 304 Karnes Avenue, Cameron, recently received her diploma and graduate's pin from Providence Hospital School of Nursing in Waco. Miss Sutter was secretary-treasurer of the 21 women and five men who made up the school's largest post-war graduating class.

Graduation day was the climax of a week of special events honoring the seniors and highlighted by a dinner-dance with the junior class as hosts. The days schedule began with mass in the hospital chapel, followed by a breakfast. After graduation in the afternoon, friends and relatives of the graduates attended a reception at the hospital.

No Ceiling Price Increase For Beef In This Area

There will be no increase in the ceiling price of beef for Southeast Texas consumers as the result of the recent live cattle ceiling price increase, the Houston District Office of Price Stabilization has been advised.

John O. Boyle, Dallas regional OPS meat chief, pointed out that the increase, which resulted from a freight rate hike, applies only to live cattle ceilings and makes no changes in the ceiling price regulations governing retail beef prices.

The maximum increases on live cattle in Southeast Texas will be about one-tenth of a cent per pound. Mr. Boyle explained this represents the amount of the freight rate increases in Texas, Arkansas, Louisiana and Oklahoma.

The OPS will send corrected forms to slaughterers in the 28 counties of the Houston district as soon as forms now in file with the OPS can be revised, the Houston office said.

Methodist Churches Designate September 9 As Flood Relief Day

Sunday, September 9, has been designated as Flood Relief Day in Methodist Churches throughout the land. The Council of Bishops and the executive Committee of the General Commission on World Service and Finance have made a special appeal for aid to Methodists in areas of Kansas damaged by floods.

More than 70 churches and parsonages must be rebuilt in Kansas, Central Kansas and Central West Annual Conferences at an estimated cost of \$300,000. In some area, 95% of the church members have lost their homes.

Relief organizations and army engineers are restoring order and housing the homeless with local aid, but they cannot restore damaged church property. Five hundred neighboring churches in the Kansas-Nebraska Areas have raised \$50,000 to help replace personal losses of ministers.

"Let Flood Relief Sunday be a day of compassion."

OPS Clinic Scheduled At Thorndale Soon

Businessmen of Thorndale and Milam County have been urged to attend an Office of Price Stabilization meeting to be held in Thorndale, September 13.

The meeting, which will be conducted by price specialists from the Houston OPS, will be held at the Thorndale City Hall from 2 p. m. until 5 p. m.

The specialists will be in Thorndale to help the businessmen of the area keep abreast of new OPS regulations and to answer their questions about price regulations.

Cotton Harvest Nearly Completed; 12,000 Bales Here

According to D. S. DeManche, member of the TEC who has been assisting farmers in this area with their cotton harvest, the Milam County's 1951 cotton crop will soon be harvested. Picking in some areas will continue to be good for another week but the majority of the crop already has been harvested.

Migratory laborers have been in this area of the state in good numbers for the past two and half weeks and farmers over the coun-

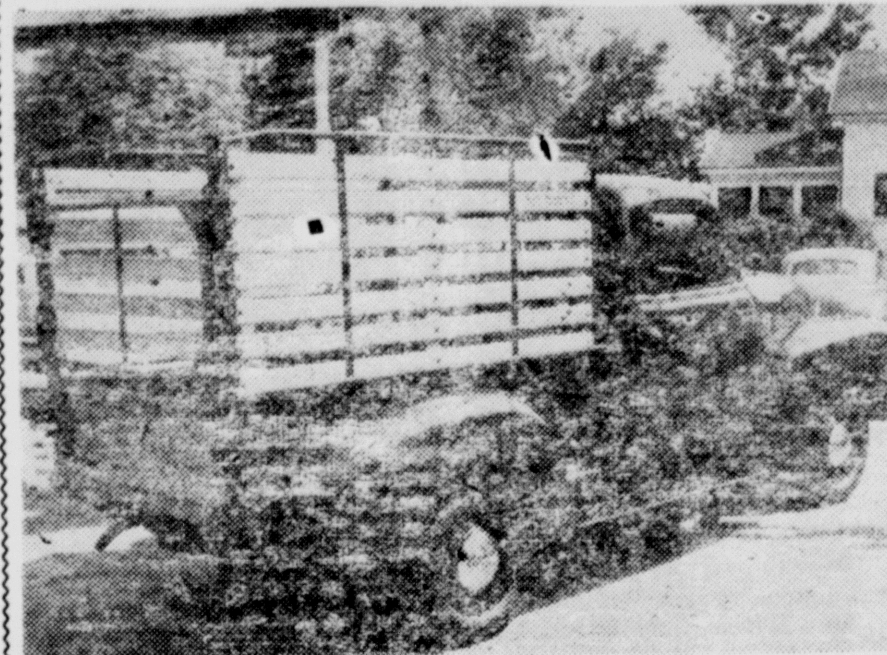

ty are pleased over the fact that harvest has been successful with good weather conditions this season.

It was reported by P. U. Davis, manager, Cameron Compress, a total of 12,000 bales had been received at the local compress. An official report of the entire county could not be obtained at this time.

Many farmers over the county have had to place their cattle on the market due to lack of grass and water for their livestock.

Misses Laverne and Aileen Meeck of Palestine are visiting in the home of Glenn Rosenberg this week.

TRAIL BLAZER - with plenty on the ball

How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower—high, wide and handsome—more horsepower than normal drivers will ever use in full.

And—if you're up to date on modern features—you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

Equipment, accessories, trim and models are subject to change without notice.

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratios" are simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

Mr. and Mrs. Gib Terry of Minerva entertained Mrs. J. L. Barmore of Cameron with a birthday supper on the lawn of their beautiful home Saturday, August 25. The guests were invited into the spacious yard for the affair. The table was covered with an embroidered linen cloth and held an arrangement of red carnations.

The birthday cake was baked by Mrs. H. L. Patillo of Cameron, sister of the honoree.

Present for the occasion were Mr. and Mrs. Harry Jones of Temple, Mr. and Mrs. Ad Cabiness of Temple, Miss Clara Jones of Taylor, Hubert Atkinson, Troy Coper, Mr. and Mrs. Gib Terry Jr. and children of Calvert, Mr. and Mrs. John House and daughter, Maurine, Mr. and Mrs. Bob Terry and grandson, Mike, Mr. and Mrs. C. S. Terry and grandson, Stanley, Dr. and Mrs. Edward Zeller, Dr.

Mrs. Homer Allen is visiting her mother Mrs. W. J. Anderson of 1214 Oak Knoll Drive, Fort Worth. Mrs. Anderson will celebrate her 86th birthday Sunday with all of her nine children present for the occasion. Mrs. Allen will be gone about ten days.

Mrs. Mary Bailey Honored With Party

Mrs. August Halberdier and Mrs. C. B. Terry were co-hostesses to a group of friends at the Halberdier home Wednesday afternoon.

The occasion was to honor their mother, Mrs. Mary Bailey. After a pleasant get-together a delicious refreshment course of Angel food cake and home made ice cream was served.

Present were Mrs. J. S. Jacob, Rex Bartlett, Mrs. Jeff Ayers, Mrs. Tom Eward, Mrs. Lula Manley and Mrs. Theron Dodson.

Mr. and Mrs. L. Wilson Return Saturday From Vacation

Mr. and Mrs. Lehman Wilson returned recently from a week's vacation through Oklahoma, Arkansas and Missouri.

They visited Mr. and Mrs. Ronald Bollinger at Bentonville, Arkansas, former Cameron residents. Mr. Bollinger is a brother of Mrs. Wilson. They especially enjoyed Eureka Springs and the delightful climate in that part of the state. They toured extensively through the state of Missouri and Oklahoma and reported a most enjoyable trip.

Shown above is Mrs. Ralph Wallace Chambers whose wedding took place at the Highland Presbyterian Church in Dallas, Saturday, Sept. 1, 1951, at 8 o'clock in the evening.

Miss Angie Jane Reid, daughter of Mr. and Mrs. Phillip Reid, 3215 Hanover, Dallas, became the bride of S-Sgt. Ralph Wallace Chambers. The groom is the son of W. R. Chambers of Waco, former resident of Milam County.

The nuptial vows were read by Dr. William Elliott, minister, in a beautiful double-ring ceremony. Preceding the ceremony, Miss Louise Mackay Boynton, soloist, sang "Because" and "The Lord's Prayer." Sam R. Parker, organist, presided at the organ, accompanying Miss Boynton and rendering other traditional wedding music.

The altar was flanked with pink mums, pink gladioli and pink stock and Comodore fern. Pink candles decorated the background for the altar and the aisles were flanked with pink candles. Twenty-one candelabra of seven candles each filled the church with a soft light.

The bride, given in marriage by her father, was radiant in a charming blush-pink chantilly lace bridal gown. It was designed with a wide shirred portrait neckline with tiny crushed puff sleeves. The very bouffant skirt was scalloped at the ankle hemline to reveal a deep tulle ruffle.

Her veil of imported illusion was caught onto a pearlized orange blossom cap with a tiny pleated illusion brim, and fell in misty tiers. For something old and something borrowed, she wore a strand of her mother's pearls.

The bride's flowers were a colonial bouquet of white orchid, stephanotis and satin streamers showered with stephanotis.

Mrs. Don Griffin of Dallas attended as matron of honor. Bridesmaids were Miss Rita Reid of Cameron, cousin of the bride, and Mrs. Wylie D. Walno of Wakefield, Kan.

The matron of honor and bridesmaids were gowned in identical misty blue nylon tulle ballet length gowns, with contrasting miniature velvet capes. The strapless shirred basque bodice were gathered to layers of tulle skirts worn over old fashioned petticoats. All wore braided halos of matching taffeta and velvet. Each carried a colonial bouquet of small pink mums and sweetheart roses.

Little Miss Mynette Moomey of McGregor was flower girl and was gowned in a short dress of white tulle over taffeta with a basque bodice, full skirt and blue velvet sash. She carried baskets using pink rose petals. Her headress was of pink sweetheart roses.

Pfc. L. F. Tipton of Gurley, Ala., attended the groom as best man. Groomsmen were Pfc. William A. Longfellow of New Orleans, La., and Pfc. Wylie D. Walno, Wakefield, Kan. Groom, best man, and groomsmen all wore blue Air Force uniforms. Ushers were Bill Reid, brother of the bride, Richard Moran of Waco and Thomas Mooney of McGregor.

Immediately following the ceremony, a reception was held at the home of the bride's parents. The house was beautifully decorated with arrangements of pink carnations, stock and mums. The bride's chosen colors of pink and blue were carried out in color motif.

The bride's table was in the garden where refreshments of cake and punch was served to 350 guests. The table was covered with a tulle cloth over pink satin; carnations surrounded the punch bowl and cake. Crystal hurricane lamps were used in the center of table.

The unusually elaborate designed wedding cake which consisted of four tiers was tinted a blush-pink. The lower three tiers balanced a smaller top tier which rested on several miniature Grecian columns, tinted pink. Each column partially framed a cupid holding a bow and arrow. Atop the cake was a lovely china bell with clusters of pink forget-me-nots. On the bell was inscribed in gold the name of the betrothed couple, "Angie Jane and Ralph," with wedding date directly beneath the bell. The clapper consisted of Lily of the Valley. The beauty of the wedding cake was reflected in a large mirror at the base.

The garden was lighted by hurricane lamps on wrought iron bases; pink caladium plants bordered a circular bed in the center of the garden.

At the cake service were Mrs. Lula Gillis of Cameron, aunt of the groom and Mrs. Clark Garland of Waco, aunt of the bride.

Miss Ruth Dickson and Miss Glenda Waddell of Dallas presided at the punch service. Mrs. Richard Moran of Waco was in charge of the bride's book.

Others in the house and garden party were Mrs. Frank Reid and Miss Helen Reid of Cameron, Mrs. W. R. Dotson, Mrs. W. W. Livar and Mrs. George Haddaway, all of Dallas.

The bride's mother wore a gold satin lace gown with mits and close fitting hat to match. She wore an orchid corsage. Mrs. Chambers was gowned in blue lace over taffeta, matching accessories and an orchid corsage.

The bride is a graduate of Highland Park High School. She received here BA degree from Texas State College For Women at Denton, where she was a member of the Adelpian Club, Speech club. She was also dutchess to the Annual Cotton Ball Pageant at Texas A&M College in 1948, and was a member of the Hillsboro school faculty the past year. She did graduate work at Texas Tech in Lubbock during the summer months.

The groom attended high school in Austin and served three years in the Air Force in World War II. He attended St. Mary's College at San Antonio. He was recently called back into the armed service and is now stationed at Reese Air Force Base, near Lubbock.

For traveling costume, the bride chose a navy crepe suit with velvet trim, matching accessories and a white orchid corsage.

After a wedding trip, the couple will be at home, at 3207 35th St., Lubbock.

The bride is formerly of Cameron and is the niece of Mr. and Mrs. Frank Reid. The groom formerly made his home with his aunt, Mrs. Lula Gillis of Cameron.

Out-of-town guests were Mr. and Mrs. R. W. Chambers of San Antonio, Mrs. Sophia Winfield and Sam Winfield of Austin, Mrs. L. H. Reid and Mr. and Mrs. Ray Carpenter of Garrets Bluff, Mr. and Mrs. Frank Reid, Helen Reid, Rita Reid, Mrs. Graham Gillis, Mr. and Mrs. Lester Williams and Mr. and Mrs. W. A. L. Robinson of Cameron, Miss Jewell Allison and Mr. and Mrs. Charles Hall of McGregor, Mr. and Mrs. E. L. Grimes of Quanah; Dr. and Mrs. Leslie Sadler, E. J. Leibe, Mrs. Jane Whitaker and Mr. and Mrs. Clark Garland of Waco.

Pvt. and Mrs. Bill Eanes of Fort Sam Houston, San Antonio, spent the Labor Day holidays visiting relatives in Cameron.

Mrs. Annie Wilson is a patient in Newton Memorial Hospital.

Miss Esther Dalano of Rockdale visited her sister, Mrs. Annie Wilson the past week end.

Mr. and Mrs. Reynolds Return From Vacation

Mr. and Mrs. Edwin Reynolds of Austin returned recently from an enjoyable vacation.

They toured extensively in west Texas and New Mexico and visited the Carlsbad Cavern.

They also traveled into Mexico, to Juarez and Del Rio and saw many of the interesting places in that country.

J. M. Delahunty and family of San Angelo recently visited relatives and friends here. They were enroute to their home after spending their vacation in California and other points of interest.

Crusade Against Communism Began On Labor Day

The gigantic drive to halt Communist lies and aggression lies and aggression called Crusade for Freedom opens Labor Day and runs through September, Lieut. Gen. Preston A. Weathered of Dallas state chairman, announced today.

Goals for Texas in the nationwide drive are set at 862,500 signatures and \$120,900 in contributions.

The freedom drive seeks to enroll freedom-loving Texans "to combat Communism and send more messages of truth and hope to millions trapped behind the Iron Curtain."

Signers will be asked to make

whatever gift they can to support Crusade-operated radio stations pin-pointed along the Soviet borders to refute propaganda.

Crusade stations spike Bolshevik lines, name collaborators of the Kremlin by name, expose Red plots and tell enslaved people the truth about America's ideals and policies.

Slogan for the 1951 Crusade is "Help truth fight Communism — join the Crusade for Freedom."

"Communist aggressors are finding out that the truth hurts," General Weathered said. "Already they are doing everything in their power to blackmail the freedom stations of the American people off the air."

He added that "Reds will not succeed in quieting the voice of truth and freedom."

The 137 local chapters of the Texas Junior Chamber of Commerce have adopted the Crusade as a statewide project. These clubs

Cameron's Day At State Fair Slated October 18

Every county seat in Texas has been invited to participate in the 1951 State Fair of Texas, Oct. 6-21, with special representation and by having a special day designated in its name.

James H. Stewart, executive vice president and general manager of the State Fair, has written a personal letter of invitation to the mayor or Chamber of Commerce manager in each of the 254 towns and cities.

The county seats are being invited to take part in the fair in conjunction with special days set aside to honor each of the 14 Extension Districts of the Texas A & M System.

Milam County is included in district 10, and the special date has been designated as October 18, according to J. D. Moore

Safe Braking Margin Varies

ICE WET DRY

Importance of driving in accordance with highway conditions is illustrated by this diagrammatic view prepared by Chevrolet in the interest of traffic safety. Standard braking tables reveal 190 feet is required for a stop at 56 miles an hour, allowing three-quarters of a second for a driver's reaction to an emergency. When the pavement is wet, however, the distance increases to 258 feet. On icy pavement 472 feet will be covered before a car brakes to a complete stop.

Evening Services, Presbyterian Church Begin At 7:30

Regular evening services will begin at the First Presbyterian Church, Sunday, September 2, at 7:30 according to Rev. John Solomon, minister.

During the past two months the Presbyterian Church has joined with the Methodist and Christian Churches of the city in holding union services at the evening hour on the lawn of the First Methodist Church.

Rev. Solomon said the Young People's Department will meet at 6:30 P. M. with Miss Ruth Reichert leading. Prayer meeting at 7:30 P. M. Wednesday.

OPS To Continue Programs; 57 Slated During September

Price specialists from the Houston District Office of Price Stabilization will continue their program of aiding businessmen in the 38 counties of the district, the OPS has announced.

The specialists will conduct 57 price clinics in 36 Southeast Texas communities during the month, answering questions of businessmen about price regulations and aiding them in complying with the regulations.

Operators of consumer services establishments have been urged to join other businessmen of the communities and nearby areas in attending the meetings.

The first of the September meetings will be held Tuesday, September 4. The schedule of clinics will continue through September 28.

Some of our politicians have discovered that they built their fences so high that they can't get over them.

will spark the anti-Red Program in every part of the state.

General Weathered urged persons in areas not served by Crusade Committees to send correspondence and contributions to Crusade for Freedom, Dallas, Texas.

Cotton Ginners May Increase Rates 6 Per Cent Says OPS

Cotton ginners now may increase their rates by a flat six per cent over rates charged during the 1950 season, the Houston District Office of Price Stabilization has announced.

Formerly, ginners were allowed graduated percentage increases over the rates charged in 1950. A raise of approximately 10 percent in ginning costs, plus inequities in the old rate increase system as a result of varying ginning season starting dates, brought about the change, the OPS explained.

The new regulation applies to all cotton ginners, regardless of the number of persons employed, the OPS announced.

Increase of SS Claims Received At Austin Office Recently

The first year of operations under the revised Social Security Act has brought many changes in the work of the Austin office of the Social Security Administration. It has also meant a great deal to the people of Central Texas in terms of dollars and cents, according to James B. Marley, manager of the office.

Far-reaching amendments to the law, passed by Congress late in August of last year, made a number of important changes in the old-age and survivors insurance program. Among the more significant of these changes were broadening of the program to include several million more people, lowering of eligibility requirements for payments, and drastic increase in the size of payments.

The most noticeable effect of the changes is in the heavy increase in the number of claims for payment. Applications from the 21 county area served by the Austin office now average about 65 per week, in contrast to a weekly average of about 30 before the amendments were passed last year.

During the 12 months since the first changes became effective the Austin office has processed a total of 4025 claims for payments. Approximately half of these applications came from retired workers past the age of 65, with the rest from their families or from survivors of workers who have died.

"Watty" McClaren, who has been employed by the Kraft Meat Company of Waco this summer has returned home and will be here until September 17 when he enrolls in A & M College as a Junior.

Gene McDonald Leaves For Arabia By Plane

Gene McDonald, son of Mr. and Mrs. W. B. McDonald of Minerva left Houston by plane early Wednesday morning for Arabia.

McDonald is employed by the American Arabian Oil Co. and recently concluded a four month leave of absence with the company. He has been with the company for the past two and half years. He is a graduate of Rockdale High School and is well known in that section of the county.

He will stop in New York on his way to Arabia for a few days before leaving for Arabia. His parents are employed at the Coca-Cola Bottling Company in Cameron.

First Baptist Church Calls Secretary

Mrs. Christella Carrell of Thornton has been called as educational secretary at the First Baptist Church, according to Rev. P. A. Corkern, pastor.

Mrs. Carrell has served in similar capacity with First Baptist Church at Texas City, First Baptist Church, Urbandale, Dallas and First Baptist Church at Mercedes. She is a graduate of Southwestern Seminary, Fort Worth.

Mrs. Carrell's acceptance has not been received, Rev. Corkern said but she will visit the church Sunday and will give her decision.

"It's my time to put the motion before the house," said the chorus girl as she breezed onto the stage.

For most persons who work for themselves, the first social security tax report will be due, along with income tax returns, March 15, 1952, and will cover the calendar year 1951. Any earnings from self-employment of \$400 or more are covered by the provisions of this new law.

The tax rate for this year is 2 1/2% of net earnings up to \$3600. Those who have an annual self-employment income of less than \$400 will not have to pay social security taxes and will not be covered by the law. The new coverage

New SS Coverage Is Mandatory Proposition

Persons who work for themselves are now covered under the social security law and have been building insurance protection for themselves and their families since January 1, 1951.

The recent amendments to the Social Security Act cover most self-employed persons with the exception of some occupations such as farmers, doctors, lawyers, funeral directors and a few other professional groups.

Firemen Called Out Twice Friday; House Heavily Damaged

Fire practically destroyed a house on South Jefferson St. around 3 p. m. Friday, August 31, according to John Eanes, fire marshal.

The house, owned by Miss Mary Belle Batte, was almost a total blaze when discovered. The origin of the fire was not known as the house was vacant. An estimated loss of approximately \$600.00 was reported.

It was reported that the house was not covered by insurance. The Cameron Volunteer Fire Department was summoned and within a short time had the blaze under control.

According to Frank Richter Sr., fire destroyed several acres of grass on the John Muse farm at Hoyte. Only slight damage was reported. The fire occurred around 8:30 P. M. Friday.

Fire Marshal Eanes urges everyone to use all precautions in preventing fires. Dry weather is a fire hazard itself.

C. W. Halpain, 59 Buried In Waco

C. W. Halpain, 59, of Waco died in Veterans Hospital, Marlin, Thursday morning, August 30, 1951.

Mr. Halpain, veteran employee of the Waco street department, was well known in Waco. At the time of his death he was truck foreman for the department.

He resided at 1104 Spring Street and joined the department as a truck driver in 1927. For the past four years has been foreman.

Mr. Halpain was a veteran of World War I and a member of the James A. Edmond Post of the American Legion. He was the uncle of Mrs. Rosa Lee McFarland, member of the advertising staff at the Cameron Herald. He was well known in this part of the county. He had lived in Waco the most of his life.

The city department honored their faithful servant for many years, by closing during the funeral hour.

Funeral services were held in Waco at 2 P. M. Thursday, August 31 at the Coleman Funeral Home. Interment in the Waco Cemetery with Coleman Funeral home directing the arrangements.

Surviving are his widow, Audie Halpain, two daughters, Margaret Richie and Lois of Waco. He was also the uncle of Mrs. Mae Tindall, Robert Halpain, Bill Halpain, Mrs. Clarence Coates and Jesse Halpain all of Cameron.

Draft Board Lists Classification of All Registrants

Each man registered with the Milam County draft board eventually is classified into one of five main classes, the main classes being divided into subclasses. There are also sometimes certain designations within subclasses.

Under class I are four subclasses: 1-A, 1-A-O, 1-C and 1-D Designations within subclasses are IAP, IAOP, IC (Inducted), IC (Enlisted), IC, (Discharged), and 1-c, Reserve.

In Class 1-A are placed registrants who have failed to establish to the satisfaction of the board that they are eligible for a deferred classification. A man in 1-A is considered available for military service.

A conscientious objector who is opposed to participation in combat by reason of religious training is classified 1-A-O. Such a man does not oppose service, if he does not use a weapon. He would serve as an aid man, for example.

A man who is given a postponement of induction for emergency or other authorized reasons is given the designation 1-A-P or 1-A-O-P.

After a man is inducted into the armed services, he is classified 1-C (Inducted); if he volunteers for service, he is classified 1-C (Enlisted).

When a man has served the required time under the draft law, he is either discharged or relieved from active duty and placed in the armed forces reserves. If he is discharged, he is classified 1-C (Discharged); if placed in the reserves, his classification is 1-C (Reserve).

If a man is classified 1-D, it indicates he is a member of the armed forces reserves or National Guard or is a student taking military training and that he will not be drafted so long as he performs those obligations faithfully.

Miss Carol Ann Sanders, daughter of Mr. and Mrs. Alva E. Sanders is visiting in the home of Mr. and Mrs. Marvin Sanders of San Antonio. She will accompany them to Cameron over the weekend.

Mr. and Mrs. Roy Harper and children of Lake Jackson are visiting friends and relatives in Milam county this week.

Football Fans Turn Out For Inter-Squad Pre-Season Game

Seven Touchdowns By First String; Reserves Look Good

Around 200 hundred football fans witnessed the inter-squad scrimmage Friday night, August 31 between Yoemen first and second string.

All the players were in fine shape and looked good for pre-season gridiron action. A total of seven touchdowns were made by denting the first string line. The first string with Eddy Lankford scoring two; Ray Thompson, two, and Glenn Rosenberg, Eldon Batte and Bobby Stanislaw taking one each.

Stanislaw scored on a long pass from Batte. Rosenberg kicked five

out of seven attempts, which is a good starter for the season.

The second team looked good with running back, Alton Logan first string line looked good at times with Reichert, Russell, Tindall, Ermis, Rinn and Mondrick blocking out good.

With another weeks practice the second string may be looking mighty good and the Yoemen reserve power should be ready to go.

Both teams will undergo thorough drills this week in preparation for the Trojans, Friday night.

Football fans in the city and over the county are enthusiastic for the 1951 season to get started.

In marriage is in boxing, the preliminaries are often better than the main event.

Blinn College To Teach Nurses Training Program

Blinn College has entered into an agreement with the State Hospital Board at Austin, Texas, for teaching a nurses training program.

An instructor will be sent from Blinn College to Austin where courses will be provided for the students at the State Hospital.

The courses will be regular accredited college work and will be as follows: English, chemistry, professional adjustments, history of nursing, anatomy and physiology, nursing arts, bacteriology and psychology.

The professional adjustments course is designed to acquaint the student nurse with the social and professional requirements of her position.

It also includes a study of professional ethics, mental hygiene, personal health and social usages; personal adjustment to the nursing school, the hospital, the community and the profession.
